Dear Parents and Carers,

As our school enters its third year, we are delighted to see it continuing to grow and develop. With this growth, we are pleased to introduce an important step in strengthening our leadership structure through the establishment of new Middle Leadership roles.

These roles will support the continued development, wellbeing, and academic progress of our pupils at each stage of their journey through the school.

Lower Phase Leader (Years 1–4)

Kim Wong – k.wong@maidenerleghtrust.org

Kim will oversee the development and progress of pupils in Years 1 to 4. Her focus will be on early intervention working closely with the therapy team, key play skills in EYFS and ensuring strong foundations for learning. Kim will be supporting staff to help our youngest pupils thrive academically and personally.

Middle Phase Leader (Years 5–8)

Sophie Dalicco-George – s.dalicco-george@maidenerleghtrust.org

Sophie will oversee the next stage of development for pupils in Years 5 to 8. A key focus of her role will be the important transition from primary to secondary learning, supporting both students and staff through this stage and ensuring pupils feel confident and prepared for their next stage in education. Please reach out to Sophie if you have any questions about this next phase and she will help support.

Upper Phase Leader (Year 9 onwards)

Rebecca Root – r.root@maidenerleghtrust.org

Rebecca will oversee the development of pupils from Year 9 onwards. She will play a key role in supporting students as they begin making decisions about options and preparing for their next steps, including further education and future employment opportunities.

We are extremely fortunate to have such experienced and dedicated leaders taking on these roles. Their work will help strengthen our school community, ensure consistency across phases, and provide focused support for both staff and students. This

development will play an important role in continuing to raise standards and providing the very best educational experience for every pupil.

We look forward to the positive impact this leadership structure will bring as our school continues to grow.

Kind regards,

Abi
