As we reach the end of our second full week back at school, I would like to take this opportunity to thank all our pupils, families and staff for such a positive start to the new term. It has been wonderful to see our students settling back into their routines so well and engaging enthusiastically with their learning and activities.

A particular highlight this week was seeing so many members of our school community taking part in Jeans for Genes Day on Friday 18th. Thank you to everyone who supported this important charitable event by wearing their jeans and making a donation. It was lovely to see such fantastic participation across the school. We are currently counting the donations and I will share how much we have raised in next week's newsletter.

I would also like to ask for your support with an important opportunity for our Year 10 students. As part of their preparation for adulthood and future employment, we are beginning to look for suitable work experience placements. If you feel your workplace may be able to offer a placement, or if you know of an organisation that could support one of our students, please do get in touch with the school. We would be delighted to hear from you and greatly appreciate any assistance you can provide.

Thank you, as always, for your continued support. I hope you all have a restful weekend and we look forward to another successful week ahead.

C Willmott
Headteacher
