

# Weekly News

Dear Parents and Carers,

I hope you have all had a positive week.

I am delighted to welcome Eby, our new Head of Therapies, to Oak Tree School. Eby will be working closely with our therapies team to further enhance our provision and practice, ensuring that our pupils continue to receive the highest quality support to help them thrive.

Some of you may have noticed a police presence on site on Monday. I would like to reassure families that this was a planned visit as part of our ongoing work to build strong community links. The officers spent time in school to discuss how they can work with us closely to deliver meaningful learning opportunities for our pupils around staying safe and making positive choices within the community.

A reminder that our Meet the Team events will take place next week:

Secondary Meet the Team: Tuesday at 2.15pm

Primary Meet the Team: Wednesday at 2.15pm

These events are a wonderful opportunity to meet staff, learn more about your child's learning journey, and hear about the exciting plans for the year ahead. Please remember to complete the Microsoft Form so that we know if you will be attending.

Thank you for your continued support. We look forward to welcoming many of you to school next week.

Best wishes,  
Claire
